QUOTE TO INSPIRE YOU

GREETINGS FROM AM!

This newsletter is a way of sharing the beautiful work that God has been doing. So I pray this brings you joy. At the end, you'll see a nice quote that ties into the verse of the month (John 11:25-26). You will also find a question to help you think and move forward in your faith. God bless you.

IDENTITY IS IMPORTANT

1. AM's online team started a new weekly bible series hosted by Bible teacher social media director, Michael Ford. The series is focused on the theme of Identity. The bible is rich with answers to the deep questions we have about who we are. But this is a question that plagues us the most? Who am I? How should I live? Through this series, we believe God will shed two great lights over the truth about himself, and about us.

WHO AM I?

2. We recently added a "chat with us" box on our home page. You can reach out to us with any questions, comments or prayer requests. This is our gift to you, to be readily there for anyone in need.

STAY CONNECTED

STUDY THE WORD

3. This month marked a new chapter in the history of AM. We can't meet live and in person for bible studies for the immediate time, but we have begun online Bible study through different platforms- Instagram Live and Google Hangout. Through the power of technology, God is helping us fulfill the great commission at rapid speeds.

FAITH OVER FEAR

Are you facing fear today? Perhaps you are afraid of losing your job, of developing cancer or being left by your spouse. At times all of us experience fear. But don't allow fear to keep you from being used by God. He has kept you thus far; trust Him for the rest of the way. **-WOODROW KROLL**

QUESTION

What are you fearing most that's keeping you from being used by God?
